

Which Read Is It?

I cannot read very fast.

She read that entire book yesterday!

You will need to read those instructions carefully.

I would have read it, but I was so tired I fell asleep.

Keep reading! You'll love the ending.

Please don't disturb me while I'm reading.

I was reading that last night.

I read it, but I didn't enjoy it.

He reads aloud to the children every night.

He read aloud to the children every night when they were small.

You can find the answer if you read carefully.

If you had read more carefully, you would have found the answer.

At school, teachers help students learn to read.

They have not read the newspaper yet.

The teacher read to the class.

I read books.
